The slide has been repaired.

The Resort Authority is still working on the removal of tree stumps and tree trimming.

The tetherball is up and kids have been playing with it.

Volunteer day was May 17. We had about 15 people show up. The beach was cleaned and the playground equipment was washed off. Flowers were planted at the park and across from the ball diamond.

We have put up spinners to try to control the geese.

The picnic tables at the playground cannot be fixed. We will just leave them as they are.

New Business

The annual meeting is Saturday September 13, 2025. Linda is going to order a tent. We have two positions that will be available. Notices will be sent out two weeks before the meeting.

The contract with RDA and Monroe County sheriff has been suspended due to the fact of lack of deputies. However, we still are covered by Monroe County Sheriff and their department feels the impact will be minimal. [\(Click Here to read the Resort District Authority notice\)](#)
